CHECKS GIVEN
FOR LAP DOGS
IN THEATERS

(By Associated Press)
BERLIN, Jan. 7.—Pet dogs have become so popular among the nine population of Berlin that theater managers have been compelled to install rooms where the dogs may be checked. Some patrons complain that none of the theatres has made similar provision for checking babies, and think this is an unwarranted discrimination.

During the intermissions the women repair to the "dog room" and feed the animals with bits of sandwiches which it has become the custom for theater-goers to eat between the acts.

RECOMMEND
PURCHASE OF
CAPE CANAL

(By Associated Press)
SANDWICH, Mass., Jan. 7.—The Cape Cod canal, the purchase of which for \$11,500,000 is now before congress on the recommendations by Secretaries Weeks, Hoover and Denby, is an artificial waterway with a history. The project was conceived two centuries ago and at different times was the subject of various proposals, all of which failed of fruition. It was not until 11 years ago the canal was completed, cutting the long arm of Cape Cod off from the rest of Massachusetts.

The canal was constructed by the Boston, Cape Cod & New York Canal company, of which August Belmont was president. It runs through the towns of Sandwich and Bourne. It connects Cape Cod bay and Buzzards bay, shortening the distance between New York and New England ports by some 65 miles and so avoiding the graveyard of ships on the ocean side of Cape Cod. It is 13 miles in length, with a width varying from 100 to 300 feet, and a depth of 25 feet at mean low water.

PORTUGUESE
AND CHINESE
IN TROUBLE

(By Associated Press)
SHANGHAI, Jan. 7.—Following a clash that gave promise of growing into open warfare between the Canton government and the Macao government, M. Batalha de Frietas, the Portuguese minister to China, who is also dean of the diplomatic corps at Peking, has gone to Macao to confer with the governor of the Portuguese colony concerning the recent trouble, and it was announced at the time of his departure from the northern capital that he would make a full report of the incident to the Portuguese foreign minister.

Difficulties of the Macao government with that of Canton originally developed many months ago when the Macao authorities set about reclamation work on the water front. More recently Dr. Sun Yat Sen's new administration has set about to deny to the Macao authorities control of waters near the port, and the recent clash developed when Chinese soldiers fired on a Portuguese police launch and those in the launch returned the fire.

The Women's Savings Bank & Loan Co. will be its name. It is capitalized at \$1,000,000.

Mrs. Flora Harroff Andrews is the president. "Women have been successful in other business, so why should they not be successful bankers?" asked Miss Lillian Westropp, attorney and legal adviser of the bank.
